

SAVE OUR ELMS Affiliate Mail-in Donation Form

SAVE OUR ELMS
PORTLAND, OREGON

Thank you for your support! By donating to a SAVE OUR ELMS Affiliate Group you are helping to preserve the unique urban forest that make Portland's neighborhoods such wonderful places to live. The treatment of each mature American Elm costs between \$150 and \$200 and every elm in the grove needs to be inoculated once every three years. Without your support we would not be able to continue the injection program at a rate that helps protect the grove from Dutch Elm Disease.

SAVE OUR ELMS is an all volunteer organization. Each Affiliate Group depends on neighbors, friends and local businesses to come out and participate. Put up posters, hand out leaflets, inoculate an elm, plant a tree, organize a yard or bake sale. It is an easy way to get to know your neighbors and your neighborhood.
