SAVE OUR ELMS

Annual Membership Campaign

Instant Membership Form

Thank you for your support! By joining SAVE OUR ELMS today you are helping to preserve the unique urban forest that make Portland's neighborhoods such wonderful places to live. Our primary source of funding to preserve the grove of historic American Elm trees is our annual membership drive. The treatment of each of the 250+ elms in Ladd's Addition costs between $150 and $200! To protect the grove requires an ongoing investment of $16,000 per year. Without the support of membership, we would be unable to continue the injection program at a rate which effectively protects the grove from Dutch Elm Disease.

SAVE OUR ELMS depends on new memberships and annual renewals for the majority of our funding. It is clear that we must raise additional dollars each year if we intend to protect all of the trees. While we are pursuing other fund raising activities to supplement the membership drive, such as the annual Historic Home Tour, our core funding depends on neighbors and friends like you becoming members through tax-exempt contributions.

SAVE OUR ELMS is a 501 (c) 3 non-profit organization registered with the Oregon Secretary of State and Oregon Deptartment of Justice. All contributions are tax deductible to the extent allowed by law. For tax purposes, please note that SAVE OUR ELMS has provided no goods or services in return for your donation. IRS Tax ID 31-1581092
